Our wine list is a reflection of our passion, curiosity and the many hours spent searching for wines we truly love. Our flagship restaurant, Amuse, has played a huge part in nurturing that passion, giving us the opportunity to explore, learn and share our love of wine with our guests. We're fortunate to work closely with our wonderful wine suppliers, Julia and Rodney, whose knowledge, enthusiasm and friendship have helped shape much of what you see here. Many of the wines have a story behind them — from wineries we've had the pleasure of visiting, to bottles connected to places, people and memories we've shared along the way. We hope that, as you explore the list, you'll find wines that bring you as much enjoyment as they have brought us.
