

MEZZO · 155 UNION STREET · ABERDEEN

An exclusive membership club, and the best table in the city when you need it.

The 155 Club is a membership for Aberdeen businesses and the people who entertain for them — certainty of a table, a room when twelve people need to sit together, and a bill that arrives quietly at month end.

HOW THE CLUB WORKS

Money you were going to spend anyway — on account.

Membership opens with a deposit, held as credit and spent on any wine at Mezzo, at menu price. There is no upper limit, it can be topped up at any time, and companies are invoiced monthly rather than paying at the table. Credit is valid for twelve months from last use.

Founders get up to five named cards and three founder-only extras. Founder places close on 31 December 2026; after that, new members join with a single card.
